PLEASE NOTE:

Tax Accounts and Utility Accounts have different account numbers.

The account number needed to pay taxes online is the **Roll Number** found on the top right of the Tax Bill. The account number needed to pay utilities online is the **Utility Account Number** found towards the top right of the utility bill.

When making payments online, please include **ALL** numbers (including zeroes) to ensure payment is applied correctly. Do not enter the decimal point, but DO enter the number found after the decimal.

If you encounter any difficulty entering the utility account number, you may need to leave off the last digit.

**** NOTE:** most financial institutions take 2-4 business days to process the online payment.

Penalties will be applied if the payment is not received at the Town Office by the due date.
